Ignition[®]

THE PERFECT FIT

WORK HAS CHANGED. IGNITION HAS RESPONDED.

It all began with a spark. An idea that personalized comfort can energize a workforce. The idea caught on, and Ignition quickly became one of the bestselling chairs in history, creating the perfect fit for a wider variety of people, spaces and work styles. As work evolves, Ignition responds with enhancements that fit today's work and workers.

IGNITING THE NEW WORK DAY

In the new workday, people are moving everywhere within their environment without sacrificing productivity. Wherever work gets done, workers need task chairs that help them stay focused. Stools that facilitate conversation. Guest chairs that welcome a change of pace. Ignition creates a universal aesthetic throughout your space, while evolving to meet everyone's changing needs throughout the day.

Ignition 2.0 task seating

A. OPEN

Give everyone the personalized fit they need to accomplish more.

B. PRIVATE OFFICE

When style matters as much as comfort, Ignition offers more choices than ever.

C. COLLABORATIVE

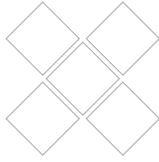

Support collaborative spaces with lasting comfort and customizable controls.

D. COMMONS

Some spaces require flexibility, which is perfect for Ignition's multi-purpose chairs and stools.

E. WELCOMING

First impressions are critical. Greet visitors in comfort and style with Ignition guest chairs.

PERSONAL FIT. FOR EVERYONE.

Any size. Any task. Any style. The ability to personalize Ignition is how we deliver your perfect fit. Every aspect of each Ignition is tailored to your body. Your curves. Your comfort. All this has made Ignition the overwhelming people's choice.

DESIGNED AROUND YOU. AND YOU. AND YOU.

It takes a versatile seating solution to support a diverse work force. With three back sizes, a big & tall chair and a bariatric chair, Ignition fits everyone. One series. Infinite possibilities.

“Ignition has been a bestseller for years, so when evolving it to meet today’s needs, we didn’t want to lose the elements that have made it so successful. Instead, we added new comfort adjustments, ilira-stretch mesh options and other enhancements that made it an even better fit for the new work day.”
